FOR FROME**

Iff is a group of local people who care about our community and want to do the best for Frome. We came together in 2011 when Frome voted for an Iff-led town council.

Spot the DIfference four years have made...

Sustainable funding for positive change - The Cheese and Grain has a new look and new facilities. It is now self-financing and more popular than ever.

Investing in and protecting our open spaces - The Showfield is safe from further development, the Dippy and Whatcombe Fields belong to Frome.

Supporting local people – We have funded and helped to obtain funding for more than 90 local organisations, including Fair Frome. Because of Iff's help, Frome has nearly 100 new allotments.

Education, training and play – amongst others we've supported the Welshmill pump track, the Children's Festival, Edventure, Mindset, new equipment and the games area in Mary Bailey Playing Field and the Roller Disco.

Clean and green – Our electric car club is cheaper and greener than owning a car. We won a major Green Energy award in 2014 and solar panels are reducing energy use AND earning money for Frome.

We have secured local assets through careful investment, secured over £1.9m for community projects, balanced the books and increased Frome's cash reserve.

These are just some of our proudest achievements and we've lots more big ideas for our small town. Vote Iff on 7th May and keep our council open, active and Independent.
